### HEALTHY PET PROGRAM

We strive to make your pet(s) comfortable while away from you. A stressful pet may experience diarrhea, appetite loss or vomiting. Therefore, as a *standard of care*, our **Healthy Pet Program** is available for a nominal fee of **\$2 per day**. Coverage for a variety of health problems that might occur during and immediately following a pet's stay is essential.

Should you notice any *pet related health concerns* upon returning home from a boarding stay, please notify **Red Bluff Pet Resort** within **48 hours** of departure in order to file an eligible claim.

In the event veterinarian services are required for your pet while visiting us at **Red Bluff Pet Resort** or within 48 hours of departure, we will set up an appointment with our veterinarian at **Red Bluff Animal Hospital** for treatment. **Please note that we do not use the veterinarian of the pet owner or reimburse vet bills.**

Coverage is limited to a *combined maximum fee* of **\$500** for *surgical or medical* veterinarian care and does not cover **Gastric Dilatation and Volvulus Syndrome (GDV/Bloat)** or pre-existing medical conditions.

- I **ACCEPT** or **DECLINE** the **Healthy Pet Program** coverage (please circle one).
